Parents/carers invited in

Cultural Connections

Challenge question

Barrhead is a culturally diverse town. Can we improve our awareness and understanding of other cultures?

S1 November-December

PE & Modern Languages

Skills

Teamwork

Creativity

Resilience

Leadership

Communication

Literacy

Young people will research into a chosen country over 14 periods. They will experience a sport input from their country, as well as learning about language, culture, food and travel.

PREVIEW

MARSEUM

Final Event Marseum showcase

Parents/carers invited in

Marseum

Challenge

The year is 2050 and a human community is now thriving on Mars. As the Martian community flourishes, we invite you to embark on an extraordinary journey- designing an exhibition that captures the essence of life on earth.

S1 June (new S2)

BACS, Expressive Arts,
FFDT

Skills

Teamwork

Creativity

Resilience

Leadership

Communication

Literacy

Young people will cover broad themes of Life on Earth in 2050 including culture, environment, technology and exploration. They will then create an exhibition to showcase life on earth.

Circular Economy

Circular Economy

Challenge

Design a product or service for the school or community that uses the Circular Design principles, where everything has value and nothing is wasted.

S2 February- April

BACS, Art, PSHE, Social Subjects

Skills

Teamwork

Creativity

Resilience

Leadership

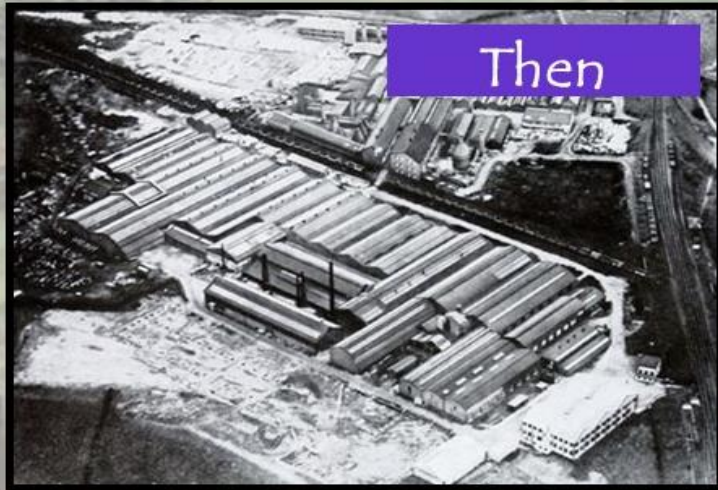

Communication

Literacy

Young people will develop an understanding of circular economy. They will then use that knowledge to create a product from recycled goods.
