Vision The vision for Barrhead High is 'raise the barr' for all.

We value relationships and work together to develop resilient and thoughtful young people who are prepared for the future and ready to respond to the challenges of a rapidly changing world.

Values What we do and how we do it is guided by our underlying values. At the heart of these values lies **RESPECT** - respect for each other and respect for yourself.

Aims

- We want our young people to be successful learners who are enthusiastic about learning and set aspirational goals.
- We want our young people to live our school values so that they leave Barrhead High with the confidence to thrive in a rapidly changing world.
- We want our young people to be active citizens with an awareness of global issues who use their voice to campaign for change.
- We want our young people to embrace opportunities to develop their resilience and contribute effectively to society.

The NIF is designed to help deliver the aims of excellence and equity. The NIF priorities are:

- **Placing the human rights and needs of every child and young person at the centre of education**
- **Improvement in achievement, particularly in literacy and numeracy**
- **Closing the attainment gap between the most and least disadvantaged children and young people**
- **Improvement in children and young people's health and wellbeing**
- **Improvement in skills and sustained, positive school-leaver destinations for all young people**

The NIF sets out six key drivers for improvement which provide a focus and structure for gathering and analysing evidence:

1. **School leadership**
2. **Teacher professionalism**
3. **Parental engagement**
4. **Assessment of children's progress**
5. **School improvement**
6. **Performance information**

IMPROVEMENT PRIORITIES

School Improvement Priorities for 2024-27

Our vision is one of *Everyone Attaining, Everyone Achieving through Excellent Experiences*. Our target outcomes and expected impacts in the next three-year cycle will be:

Empowerment and Leadership	Social Justice and Wellbeing	Pedagogy and Learning	Attainment, Achievement and Progress
Build system capacity to support continuous improvement through: a) Targeted support for parents and carers. b) Progressive leadership opportunities for learners. c) High quality career long professional learning for aspiring leaders.	Improvement in young people's health and wellbeing through: a) Creative and bespoke interventions with partners. b) Progressive outdoor experiences. c) Opportunities to learn about sustainability to become active citizens. d) 'Living our values' with all stakeholders.	Learners experience consistent, high quality learning and teaching across the school through: a) Adaptive teaching approaches to ensure high expectations for all. b) Awareness of emerging educational pedagogy including AI. c) Refresh of BGE curriculum via the Barrhead Capacities to plan relevant and engaging activities. d) Instructional coaching to support practitioners to reflect and collaborate. e) Staff are prepared to enact curriculum improvement.	To raise attainment levels across all curricular areas and to narrow the poverty related attainment gap through: a) Fact, story, action approach in the BGE to raise attainment of equity groups. b) Review literacy and numeracy approaches in the BGE across the curriculum. c) Framework for meta skills to support young people to articulate their skills. d) Career education programme to better prepare identified learners for positive and sustained destinations.
